

HCBM 2010 - Hot and Cold Baryonic Matter 2010

Thursday, 19 August 2010

Hydro and Transport Models II. (14:00 - 16:30)

time	[id] title	presenter
14:00	[40] Hybrid approaches to heavy ion collisions and future perspectives	Prof. BLEICHER, Marcus
14:45	[41] Multi-particle interactions within UrQMD	Dr BURAU, Gerhard
15:20	[57] HBT radii from the UrQMD transport approach at different energies	Mr GRÄF, Gunnar
15:55	[43] Second order dissipative fluid dynamics from kinetic theory	Dr MOLNAR, Etele
